# Roosevelt Road

## *Streetscape Design Plan and Zoning Regulations*

**DATE:** Wednesday, May 20, 2008

**TIME:** 7:00 PM

**PLACE:** St George Antiochian Orthodox Church  
1220 60<sup>th</sup> Court, Cicero

(Humphrey Avenue is north of Roosevelt Road in Oak Park, 60<sup>th</sup> Court is south of Roosevelt Road in Cicero)

The **Village of Oak Park**, **City of Berwyn**, and **Town of Cicero** have joined together to revitalize a key 1.25-mile segment of Roosevelt Road between Austin Boulevard and Harlem Avenue. As part of this effort, the municipalities are inviting property owners, business owners, residents and neighbors to an important meeting regarding zoning regulations for this portion of Roosevelt Road, with an update on the streetscape design process.

This multi-jurisdictional effort is expected to result in development of a streetscape design plan and new zoning regulations, both of which are intended to improve the appearance, accessibility and function of the corridor. At the May 20<sup>th</sup> meeting, the consultant team will present their draft form-based code overlay regulations for Roosevelt Road. Most important though, the municipalities and consultants will be there to answer your questions and listen to your thoughts, including your input on the proposed zoning regulations.

If you can't join us on May 20<sup>th</sup>, we hope you will be able to join us at other meetings and events that will occur over the next few months.
